What is Arts Award?

Arts Award is a range of nationally recognised qualifications and a fun way of inspiring young people to grow as artists. **Arts Award Discover** is the introductory Arts Award. Find out more at www.artsaward.org.uk

We have everything you need to complete your Arts Award Discover for free at home! There are three major parts which need to be completed. Create a **portfolio** to showcase your work in each part and get a fantastic certificate!

Part 1: Discover and take part in the Arts

Part 2: Find out about Artists and their work

Part 3: Share your Discoveries

What do you have to do?

Work your way through the activities outlined on the next page. You can use whatever materials you like to record your activities; writing, drawing, painting, taking photos or videos...get creative!

You can put together your own portfolio either by hand, or on a computer. If you have completed your portfolio by hand please photograph each section. You can download our **portfolio** as a guide [here](#).

It is recommended you spend around **20 hours** completing all the activities.

How do you get your Arts Award Discover Certificate?

Email your portfolio and your name to Aeron Moore (Learning and Engagement Officer) at a.moore.3@bham.ac.uk. Aeron is a trained Arts Award Adviser and will check your work. You can also get in touch with Aeron for any help or guidance.

Your **Arts Award Discover Certificate** will come from Trinity College London. Due to the current situation with Covid-19 your certificates may take longer than 12 weeks to process. There is no cost associated with completing your Arts Award Discover with the Lapworth Museum of Geology.

BIRMINGHAM**

1. Discover and take part in the Arts

Go on an Art Hunt! Find as many different types of Art as you can in your home, local area, or online.

Write, draw or photograph them and add them to your portfolio!

Find different types of Art in the Lapworth Museum of Geology by looking on our [website](#), [Facebook](#), [Twitter](#) and [Sketch Fab](#) pages.

Choose your favourite fossil, rock or mineral in the Lapworth Museum. Write a poem about why you like it!

Take part in some art activities! Take a look at our '[Activities to try at Home](#)' resources for suggestions.

- What activities did you do?
- What did you create?
- What was your favourite part?

2. Find out about Artist and their work

Find out about Geologist as Artists. Did you know the Lapworth Museum is named after Prof Charles Lapworth? Learn about him on our [website](#):

- What was **Charles Lapworth** job before he became a geologist? What was his job at the University of Birmingham?
- Find out who **Ethel Wood** was [here](#). What ancient animals did she research? Can you draw one of them?

Explore other Museums and Art Galleries on the [Google Arts and Culture webpage](#).

Research two other artists. What types of Art do they create? Find out three facts about them.

3. Share your Art Discoveries

The last thing to do is share all your fantastic art discoveries with other people!

- What did you enjoy most?
- What was your favourite art form?
- Who did you share your discoveries with?
- What did people say about your discoveries?

How did you share your discoveries? Don't forget to add this to your portfolio!
