Dear Parents/Carers,

I am sure after the Prime Ministers statement last night, there are many questions you have. We have many questions that need clarity too.

At the moment, for us in school, there is no change to the guidance. We will provide care for those parents whose work is critical to the COVID-19 response and only those that cannot be safely cared for at home. The message is still that it is safer to stay at home.

We have not received any information to support us with this new plan to start the phased reopening of some year groups. We expect we will receive further information from the DFE shortly, hopefully with some clarification. As soon as we have any final decisions in line with government and Public Health England guidelines, we will email you as soon as possible. Above all, we want to ensure the safety of our pupils, families, staff and visitors to our school.

As always, we will keep you informed but for now, please try not to worry. Our plan for now is to continue to provide activities for learning at home, keep contact with you, our families, and continue to support each other in these very difficult and uncertain times.

Yours Sincerely

Mrs. L Williams
