It is important that your grant is used effectively and based on school need. The [Education Inspection Framework](#) makes clear there will be a focus on **‘whether leaders and those responsible for governors all understand their respective roles and perform these in a way that enhances the effectiveness of the school’**.

Under the [Quality of Education](#) Ofsted inspectors consider:

**Intent** - Curriculum design, coverage and appropriateness

**Implementation** - Curriculum delivery, Teaching (pedagogy) and Assessment

**Impact** - Attainment and progress

To assist schools with common transferable language this template has been developed to utilise the same three headings which should make your plans easily transferable between working documents.

Schools must use the funding to make **additional and sustainable** improvements to the quality of Physical Education, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and sport premium to:

- Develop or add to the PESSPA activities that your school already offer
- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years
- The Primary PE and sport premium should not be used to fund capital spend projects; the school’s budget should fund these.

Please visit [gov.uk](http://gov.uk) for the revised DfE guidance including the 5 key indicators across which schools should demonstrate an improvement. This document will help you to review your provision and to report your spend. DfE encourages schools to use this template as an effective way of meeting the reporting requirements of the Primary PE and sport premium.

We recommend you start by reflecting on the impact of current provision and reviewing the previous spend.

Schools are required to [publish details](#) of how they spend this funding, including any under-spend from 2019/2020, as well as on the impact it has on pupils’ PE and sport participation and attainment. **All funding must be spent by 31st July 2022.**

We recommend regularly updating the table and publishing it on your website throughout the year. This evidences your ongoing self-evaluation of how you are using the funding to secure maximum, sustainable impact. Final copy must be posted on your website by the end of the academic year and no later than the 31st July 2021. To see an example of how to complete the table please click [HERE](#).

<p>Schools can choose to use the Primary PE and sport premium to provide additional provision for swimming but this must be for activity <b>over and above</b> the national curriculum requirements. Have you used it in this way?</p>	<p>Yes/<b>No</b></p>

## Action Plan and Budget Tracking

Capture your intended annual spend against the 5 key indicators. Clarify the success criteria and evidence of impact that you intend to measure to evaluate for pupils today and for the future.

Academic Year: 2020/21	Total fund allocated:	Date Updated:		
<b>Key indicator 1: The engagement of <u>all</u> pupils in regular physical activity – Chief Medical Officers guidelines recommend that primary school pupils undertake at least 30 minutes of physical activity a day in school</b>			Percentage of total allocation:	
			%	
Intent	Implementation		Impact	
Your school focus should be clear what you want the pupils to know and be able to do and about what they need to learn and to consolidate through practice:	Make sure your actions to achieve are linked to your intentions:	Funding allocated:	Evidence of impact: what do pupils now know and what can they now do? What has changed?:	Sustainability and suggested next steps:
Engagement in physical activity during lunchtime – aim to get children moving and to improve physical fitness.	Replenish lunchtime PE equipment of balls, bats and nets for target games so that each class has access to a range of equipment to run activities.	£1,000.00	Children are engaging with physical activity at lunchtime, they are supporting the running of games. Behaviour incidents are reduced due to the engagement of children.	More children are encouraged to participate in lunchtime activities. Those who are play leaders will be able to support other children in the running of games.
Use of play leaders in KS2 and lunchtime supervisors using their training to engage children in physical activity.	Score board (laminated in the classroom) for each class when challenges are run by the lunchtime supervisors. Class registers (completed by the lunchtime supervisor) to track those children who participated in the activities.	£399	Children are engaging with physical activity at lunchtime, they are supporting the running of games.	In the new academic year, children in Year 2 will be able to run activities for Key Stage One in order to develop gross motor skills, coordination and follow instructions. Peer relationships will have an impact on behaviour and children will develop a sense of competitiveness. Play leaders will continue to skills communication and leadership skills.

Daily Mile	Tracking each class's participation in the daily mile by recording their miles on the class chart. This can also be linked with the Commonwealth initiative.	Free	Children are becoming fitter and setting their own challenges e.g. completing more laps, not stopping, running quicker.	In each class, there will be Daily Mile monitors who will ensure that it is completed and tracked linked to the Commonwealth games. In order to develop a sense of achievement, at the start of the school year, their times will be recorded at points in the year to show an increase in fitness levels.
Additional equipment purchased in order to effectively deliver the curriculum – a class set of tennis rackets, athletics equipment and footballs.	Teacher and sport coach assessment within the lesson will be more effective as all children have a piece of equipment each so they can develop their skill.	£1,440.00	Children have developed their skills in these areas, noticing when they are achieving the steps set in the lesson and applying these in game situations.	Continued application of the skills learnt, application to games and across other areas of PE.
Whole school audit of activity outside of school- looking at participation of clubs and sports.	Whole school questionnaire about activity outside of school- both children and parents.	Free	Allows us to identify particular year groups or families that could have support to be more active.	Twice yearly survey to continue to monitor.
