Friday 8th March 2019

Dear Parents/Carers,

Headteacher: Mrs L. Williams

We are writing to let you know the outcomes of the Ofsted inspection visit that took place on Tuesday 5th February 2019. We are sorry that we have not been able to tell you sooner, but have been bound by confidentiality until the final report had gone through quality control.

Our last inspection was in 2015, where Ofsted evaluated the school to be a 'good' school. We are delighted that we have been judged 'good' under what is now a more demanding inspection framework since 2017. The report highlights good and improving practice within the school.

Strengths highlighted include:

- Considerable improvement of the school
- Hard working and committed team
- Strengthening leadership
- Strong safeguarding procedures, showing tenacity
- Effective SEND provision for pupils
- Improved teaching in the last 12 months
- A transformed Early Years and the provision it provides

We are very proud of the outcome. We are thrilled the progress our children make because of the hard work and dedication of our staff. This commitment has enabled the school to move forward rapidly and was recognised during the inspection.

We're working
towards Artsmark

Council England

The pupils conducted themselves well, polite, well mannered and were confident to share their thoughts with the inspector. It was pleasing to see this throughout the day and the pupils are a credit to themselves, you as parents and carers and to the school itself.

However, we are not complacent and are keen to further build on our strengths. The three areas for action have been identified and we are already working on these and will continue to do so. We will continue to refine our provision to provide the best education for all.

We are grateful for a team of staff that work exceptionally hard and well together. We are lucky to have supportive parents; thank you to those who took the time to complete the Parent View and talk to the inspector.

The full report is attached and can also be found on our website under the Ofsted tab.

Thank you for your continued support.

Yours Sincerely

Mrs. L Williams
