FAIRNESS

A Message from Mrs Williams

Attendance

Well done to all our children for their continuing efforts on being in school. This will be fourth consecutive week that our attendance has been at least in line with national average. Thank you to children and parents that are also making efforts to get to school in plenty of time in readiness to learn.

Boxercise

Children in Key stage 1 and 2 have been getting fit with the help of our Sports Coach. Children have joined an energetic after school club, Boxercise. This helps to develop fitness skills as well as learning the techniques of boxing.

School council

School council have been working hard on finding out values that are important to Fairway pupils. They have also created a pupil voice board, which can be found in entrance hall and displays all the useful information they feel their class friends need to know. Next, the school council will be supporting to create new lunchtime rules.
