A Message from Mrs Williams

Lest we forget

With our value of the month being *tolerance* it was fitting that we take time to remember the centenary ending of the First World War. During the mornings and after school last week, children and parents came together to make a poppy and add it to our hanging wall of remembrance. Thank you to those that were able to contribute.

Everybody Writes Day

Using a book called *The Lost Words*, which is by the naturalist/poet/writer Robert McFarlane, children have been focusing on wonderful poetry activities. The book is about various words that are disappearing from the language of children, as they become more distanced from the natural world. Its worth asking your children if they know words such as *lark*, *bramble* and *bluebell*. A beautiful book and a must read.

The weather is starting to close in as winter fast approaches. Please could you ensure that children come to school with a suitable coat. We are not one to shy away from the outside, so children will be out at playtimes and lunchtimes, even if it's drizzling.
