## A Message from Mrs Williams

Reminder: The Christmas nativity is fast approaching, please ensure you present your tickets at the door on arrival. Unfortunately, we will not be able to let you in without a ticket due to fire safety regulations. If you forget your ticket, you will be asked to wait until everyone with a ticket has been seated.

In year 5, we have had the Young Journalist Academy in. The Young Journalist Academy is an organisation that turns students into news reporters. So Year 5 are journalists in the making. They have learnt the techniques needed to record an incredible interview and also the skills required to be journalists. The children had a lovely day going through newspaper articles and creating their own newspaper companies. They are well on their way to becoming fantastic journalists.

### Reception are Explorers!

On Wednesday, Reception pupils visited the West Midlands Safari Park. Despite the soggy conditions, we had a great day viewing the animals roaming. We saw white tigers and were very shocked that not all tigers are orange! We also wanted to know how tigers clean their teeth.

After lunch, we had great fun exploring the Prehistoric area and walking through the moving dinosaurs. We even met a baby dinosaur - initially we were very concerned she may nibble our fingers - but then we discovered she was a herbivore so we had nothing to worry about!
