Safety and Wellbeing

As a school, we are delighted that yesterday we achieved **Silver for the Rights and Respecting School Award**. This award is an initiative run by UNICEF UK, which encourages schools to place the UN Convention on the Rights of the Child at the heart of its ethos and curriculum. Over the day staff, school council and other children were interviewed as well as scrutinising a hefty evidence folder. The assessor commended our pupils for their excellent knowledge of the articles and their confidence. Our ethos demonstrated our passion and belief in making a difference to children's lives. I am a very proud Headteacher of Fairway. Thank you to all the staff that have contributed and in Particular Mrs Rowley who led the assessment process. We will be sharing more about this soon.

A Message from Mrs Williams

Little Angel Gets her Wings- EYFS & KS1 Nativity

After working hard on many rehearsals over the last couple of weeks, we finally got to see the eagerly awaited nativity. The children oozed with confidence, acted with strength and sang beautifully, including two Year 2 solos. It was a very touching performance from such young children. Well done to the pupils and staff for their hard work.

Home School Agreement

The Home school Agreement is an important document that shares Fairway's aims and responsibilities, as well as parents and pupils roles. We ask that you read and sign to say you agree. The agreement will be going out to older siblings, where you can sign all of your children on one agreement. This is a statement of partnership between Fairway and our families to ensure the best education for our children.
