Safety and Wellbeing

The NSPCC have useful resources to support parents keeping their children safe online in the home environment. Google NSPCC Share Aware parent booklet to download the resource. Further online safety will be shared in school during Safer Internet Day on Tuesday 5th February.

Recently children have been coming into school wearing various colours of trainers. Trainers are not part of school uniform, but can be worn at breaktime/lunchtime only, if the children are playing football. We appreciate your support on this.

A Message from Mrs Williams

At Fairway, we are working on what we want our core values to be. What do we want our philosophies, ethos and curriculum to be underpinned by? This mammoth task has been delegated to our proactive school council. After lots of research, the school council are going to create a Fairway mascot that will show our values and learning behaviours. We had many ideas from eagles to bees. It has now been shortlisted to the Fairway Butterfly, where each wing signifies a value or the Fairway Fox, who is clever and inquisitive. On Monday, the School Council took assembly to share the final ideas and the votes will be in next week. Here are a few thoughts from our pupils.
