Safety and Wellbeing

On Tuesday we engaged in Safer Internet Day. Pupils were involved in an assembly and various activities throughout the day. Children have learnt how to stay safe and positive online. Overleaf is a useful information sheet for parents and carers. Alternatively please follow the link below.

Our Headteacher Award Assemblies are in full swing. Parents whose children have been nominated will receive a letter in advance. However if your child is not nominated but you wish to join in the celebrations, please come along. It's definitely the highlight of my month.

A Message from Mrs Williams

Governor open morning

Last Friday our governor open morning was well attended by our members of the Local Governing Board. This included: watching pupils give their Headteacher Award speeches; a guided tour of classrooms and earning taking place with our Head and Deputy girl and boy and an in depth conversation with the school council. The governors commented on how confident and articulate our children are and in particular the 'buzz' from Fast Maths sessions.

Ofsted

As many of you will be aware we had a one day Ofsted inspection visit on Tuesday. As soon as the report has been quality assured and published on the Ofsted website, I am able to confirm the outcome. I would like to express a huge thank you to all the children, staff, governors and parents that were part of the inspection process.

Stars of the Week
