Tuesday 12th March - Parents' Evening 2

Value of the Month:
Compassion

Safety and Wellbeing

Our Junior Safety Officers have been working hard ensuring that the school remains safe and tidy. They meet regularly and have to complete a health and safety walk. The outcomes are then reported to the health and safety governor and Mrs Williams. The team have also purchased a trophy that they will present weekly in assembly to the best presented and safest classroom.

Year 3 and 4 Children's University challenges will be available to complete over the half term. How many stamps can you get?

We hope you have a happy and safe half term and we will see you back on **Monday 25th February**.

A Message from Mrs Williams

On Attendance!

Well done to Class 2 that won our first attendance award. For being the best attenders in the autumn term they enjoyed a trip to the bowling alley. It's all to play for this term.

Peer Mediation

Twenty four of our Year 4 and 5 children have applied to be our next generation of peer mediators. This is a very responsible job that supports our restorative justice ethos at Fairway. After three days of rigorous training with qualified Peace Maker trainers, the children are now ready to help their fellow peers responsibly sort out conflicts that can occur at lunchtime.

Stars of the Week

Reception— Neva-Super learning in maths, Amelia for excellent role play and Bobby for super shape work!

Class 1— Lilly for super improvement in phonics and Charlie for super effort to improve behaviour!

Class 2— Polly for always listening and trying her best and Aleeza for excellent numeracy work!
