World Book Day

Don't forget to dress a potato for World Book Day on Thursday 7th March. Come and share a book with your child from 8.30am too. Its going to be a fun packed day.

A Message from Mrs Williams

Gardening Club needs your help! - Two competitions are running this term; design an ice-cream and design an eco-friendly garden. Entry fee is £1 and all proceeds will go towards buying raised beds for the front entrance and repairing damage to the greenhouse. Competition information is available from your class teachers and entries must be returned to the office by 15th March. Prizes for winners.

For homework, Year 6 were tasked with creating either a trench or an Anderson Shelter. They also researched facts about these and presented their creations with their class. As you can see, they have used a range of materials and even some sewing has taken place. It is a piece of homework which they thoroughly enjoyed and is related to our topic work based on War and Conflicts. Wonderful creative and imaginative work Year six, well done. They are on display for the school to see the amazing work that they have produced.
