Wed 10th April	Yr4	Parent Inspire Workshop 2:00pm
Wed 10th April	All	Friends of Fairway Disco

Safety and Wellbeing

We have been signposted to two child friendly search engines that are designed to make searching the internet for images and content safer.

If you have collected any batteries at home, could you pop them in the boxes which were sent home and return them to the school office by 29th March. We will then be entered into a prize draw. Thank you

A Message from Mrs Williams

Science Week

It's Science Week at Fairway and our theme is 'Insects and Animals'. Following recent publicity about the steady decline in insects throughout the world, we have planned activities to help the children understand the how vital they are to the balance of nature and the future of our planet. The children will be doing a range of activities including making a bug hotel, bird feeders, bee dancing and planting butterfly and bee loving plants. KS2 are doing research on animals that are endangered across the world and also the effects of plastic pollution upon wildlife in our oceans.

To start the week we had a visit from the 'Animal Man' who delighted the children with a range of unusual animals and taught the children about animal classification.

Easter Dates

Easter is fast approaching, so below are some key dates for you to keep free :

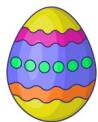

Wednesday 10th April 9am- Easter Bonnet Parade

Wednesday 10th April 3.30-4.40pm- Easter Disco

Thursday 11th April 9am- KS1 end of term Achievement Assembly

Friday 12th April—KS2 end of term Achievement Assembly

Monday 16th April—Friday 26th April—Easter Holidays

Well done to Imanni and Ruby, who have been litter picking to help towards getting their Green Blue Peter Badge. Good luck girls.

Stars of the Week

Reception— Thomas for increased confidence and Ewan for improved attitude to learning!

Class 1— Jasmine - super sentences with perfect finger spaces in literacy and Frankie - careful counting in maths

Class 2— Amber - for excellent hedgehog knowledge and Jesse - for always doing the right thing!

Class 3— Sonny for fantastic hot seating for the character of Stig and Remy for excellent use of speech for conversation of Barney

Class 4— Julia for effort in numeracy and Georgia for ideas across all subjects

Class 5— Roxanne for brilliant protractor work and Chloe for being a helpful member of the class.

Class 6— Elyza for great improvement in arithmetic understanding and Dayton for working hard in literacy and remaining focus.
