Safety and Wellbeing

If you wish to share any safeguarding concerns or worries, we are here to help — Mrs Williams (Designated Safeguarding Lead) Mrs Davis (Deputy Safeguarding Lead) Mrs Hall (Senior Learning Mentor, Family Support Worker and Deputy Designated Safeguarding Lead).

A Message from Mrs Williams

Autism Awareness Week

Last week, Fairway celebrated Autism Awareness Week. It all began with a launch assembly from Mrs Ward, our SENDco. Classes then went on to create work and conducted circle time about *differences*. Children were very confident to talk about their own differences and why they should be so proud.

The community joined in with a coffee afternoon led by the Communication and Autism Team where experiences and hands on practical advice were shared.

Tennis coaching

Also, last week, the Academy were lucky enough to take part in a tennis workshop lead by Matt and Dave from Kings Norton Tennis Club.

Children, practised lots of skills like catching, balancing and controlling the ball. They even learnt some cool tricks along the way!

Easter Bonnet Parade

It wouldn't be Easter without an Easter bonnet parade and a surprise visit from the Easter Bunny. Well done to all the children who strutted their stuff around the hall displaying their amazing creations to all the community.

A big thank you to Friends of Fairway for organising the parade and also working hard to ensure our Easter disco was a success.

Competition time!
