Safety and Wellbeing

With the warm weather fast approaching, please ensure children come to school with sun cream on. If children need to apply extra sun cream, staff can support children applying this themselves.

Message from Mrs Williams

Firstly, congratulations to Year 2 for completing their SATs this month. They have shown great resilience and were able to show off all of their learning so far. Thank you to all the staff involved for their support and commitment to our children.

Well done to Year 3 for winning the Spring Term Fairway Attendance Derby. They now look forward to a well deserved trip to Hollywood Bowl after half term.

Hiroshima work

Year 6 created some wonderful pieces of artwork, peaceful messages and brilliant pieces of story writing based around the text Hiroshima no Pika. They thought about the feelings of the characters in the story and the devastation they felt.

KS1 giving Robin Hood a run for his money...

In club this week, KS1 have been learning archery. This has been a fantastic experience and the children have loved it. They had to learn the correct stance, and the correct positions in which to hold the bow and arrow.

Bullseye!

Next Term the whole school is partaking in an art challenge, chosen by our Art Ambassadors. So after any DIY projects you may be doing over half term, please save anything that could make a **Marble Run**. This could be anything from guttering and pipes to cardboard tubing.

Year 4 Greek Meals

The final challenge for our Greek teams, to mark the culmination of our topic on the Ancient Greeks, was to produce a two course Greek meal. Each team had to produce and present a Greek salad, accompanied by fresh tzatziki and pittas, in only 40 minutes. The judges - Mrs Williams and Mrs Hall (our resident Grecophile) were bowled over by the children's speed, competence, and the great, fresh flavours that they created. A special well done to the Olympians, who won on the day, and to the Athenians, who received the kudos of being the overall winners this term!

Year 6 visit Edgbaston Cricket Ground

Year 6 had a well deserved treat after SATs and spent the day at Edgbaston Cricket Ground. Feedback from the event was very positive; they even sent Miss Hartford a lovely email.

'The year 6's were a pleasure and Martyn and I really enjoyed the session. Massive thank you to yourself and TA's for the hands-on involvement throughout!'

What's more, Fairway bumped into Ian Bell!

School Closures

A reminder that school will be closed to pupils on **Monday 3rd June** for Inset Day.
