Message from Mrs Williams

Curriculum Parent Working Party

With the tea and coffee brewing, parents joined Mrs Davis, our curriculum Lead, a member of the Local Governing Board and Mrs Williams to discuss changes to the new curriculum that Fairway wants to achieve. Parents reminisced about their childhood experiences at school and what they can remember learning as well as what they hope for their own children to learn. Local knowledge of Kings Norton was shared and we certainly learnt a lot that we can't wait to share with our pupils. If you would like to join the working party or send any information/contacts that could support our curriculum development please let us know either via enquiry@fairwayprimary.co.uk or Friends of Fairway (through their Facebook page).
