Safety and Wellbeing

As part of safeguarding children, it is recommended that the schools lockdown procedure is practised in case of the unlikely event that it may need to be used. On Monday in assembly this was introduced to the children and included reasons

Message from Mrs Williams

Children's University Graduation

Fairway held their first Children's University Graduation ceremony on Tuesday. Having joined CU part way through last year, we are so proud of the achievements of our pupils in such a short period of time. To support the ceremony Angela Hind, UWMAT School Engagement Coordinator and Kim Turner, CU Deputy Manager presented the certificates to the children, who were immaculately dressed in traditional cap and gowns. The children entertained family and friends with a tennis club demonstration and a ballet recital. An extra congratulations go to Karim and Nahla, who gained their Gold certificate for completing 200 hours of additional out of school activities. A special thanks needs to go out to all the parents/carers that become the weekly 'taxi', transporting children from one activity to the next.

Halloween Disco

The Halloween disco was another successful event planned and ran by our committed Friends of Fairway family. There was an abundance of scary costumes and some frightening dancing!

Thank you to all that supported and gave up their own time.

School Council Assembly

This week, the school council were challenged with creating and sharing their own manifestos and leading an assembly to share their thoughts and ideas. The councilors outlined what they will fight for to make our school better. We look forward to seeing what they achieve as our representatives.

Year Six Diwali Assembly

On Thursday Year Six shared with the school what they had learnt about Diwali. They shared the story of Rama and Sita (retelling the story using artwork) and how this major religious festival is celebrated today.

Christmas Theatre Trip

A polite reminder that the payment for the schools visit to the theatre can now be paid. Unfortunately, we rely on contributions from parents/carers for these additional activities to go ahead. For further details you can access our **Charging and Remissions Policy**, which can be found on the school website.

Have a very happy and safe
half term holiday
