Message from Mrs Williams

Play Leaders

Our Play Leaders are now fully trained and making a difference at lunchtimes. They are skilfully facilitating games, such as Dragons Treasure. They even gained a small audience too.

Open Afternoon

This week we opened up the school to perspective Reception parents and their children. It was extremely busy, but this did not worry our Head Pupils in the slightest as they took the reins and provided the visitors with a guided tour. The feedback was fantastic and one parent commented 'I would bring my child here, just based on the confidence and skills the pupils have shown today'. Well done Imani, Roxanne and Diego.

Safeguarding and promoting welfare is everyone's responsibility

Mindfulness

Our Sports Coach is sharing calming exercises to improve mindfulness in our pupils. They practice breathing techniques at the end of each PE session. The hall has never been so peaceful!

Lighting

As part of a DFE funding scheme the University of Wolverhampton Multi Academy Trust has supported the school in bidding for new lighting. We were successful in the bid and over half term all the lighting in the school, including outside and the incredibly tall hall ceiling lights have all been changed for new energy efficient LED lighting. This is step forward in thinking about our carbon footprint.

Children in Need

On **Friday 15th November** Fairway will support Children in Need with wearing a yellow/spotty accessory alongside their school uniform in exchange for £1. We will also be holding a cake sale after school and the School Council will be

Christmas Theatre Trip

A polite reminder that the payment for the schools visit to the theatre can now be paid. Unfortunately, we rely on contributions from parents/carers for these additional activities to go ahead. For further details you can access our **Charging and Remissions Policy**, which can be found on the school website.
