### Safety and Wellbeing

Congratulations to Mrs Ward (SENDco) and Mrs Hall (Senior Learning Mentor) in gaining Level 3 accreditation in First Aid Mental Health. We will now be putting a Mental Health Action Plan together to support all of our school community.

### Message from Mrs Williams

#### Intergeneration Project

Year Six had an exciting opportunity to explore the history of the British motor industry. Staff from the British Motor Museum came to run a workshop in school; they brought original artefacts from historic cars and their extensive knowledge. We were also joined by members of the Memory Lane group based in Kings Norton, this inter-generational project is been funded by Arts Alive. By sharing their memories of cars throughout their lifetimes and their experiences working at the car factory in Longbridge, Year Six heard first-hand about the historic importance of the car industry to our local community. We will visit the British Motor Museum in January and, in conjunction with local poet Spoz, create some unique poetry.

## Lest We Forget

Pupils, staff and visitors joined together on Monday to reflect on fallen soldiers from World War 1. A two-minute silence was observed, which was a very poignant moment.

## The Sun Books for Schools campaign

Fairway has signed up to the The Sun Books for Schools. Please cut out and send into school the tokens from either The Sun or The Sun on Sunday newspaper. If we raise 3,500 tokens by February, the school will be eligible for £600 worth of Harper Collins books. This will support our school improvement plan on Early Reading. I'm sure the school will hit the target number easily with your help, so get to the newsagents now!

## Christmas Theatre Trip- Deadline approaching

A polite reminder that the payment for the schools visit to the theatre can now be paid. Unfortunately, we rely on contributions from parents/carers for these additional activities to go ahead. For further details you can access our [Charging and Remissions Policy](#), which can be found on the school website.

## Stars of the Week

**Class 1—** Mikey for super work with money in maths & Daniyal for being wonderfully behaved all the time!

**Class 2—** Eliza for excellent painting with watercolours & Hayden for excellent painting with watercolours!
