### Message from Mrs Williams

I trust you are all continuing to keep safe and well. Whilst we are slowly growing accustomed to the new norm, it still feels strange.

I was personally saddened to hear the announcement this week that not all pupils would be returning before the summer break. All the staff at Fairway want all children back in school, but under these circumstances and for various reasons, it just isn't possible. I want to say sorry to all the children in Years 2,3,4 & 5 and look forward to the time in which we can all be together again.

For the moment we assume that we will be fully operational from September, but we can't guarantee that and will be guided by the government guidelines and the Multi Academy Trust on what we believe is best for our children. We will keep you up to date as and when we are able to.

We continue to grow in pupil numbers for those that are eligible. As you know we are a small school and the provision and staffing is reviewed on a regular basis. Depending on your request and timing, we may not be able to accommodate your child straight away. Please bear with us, we are working hard to keep up with ever changing landscape.

Take care and stay safe.

### Planning for September, what do parents need to know?

- ◆ Office and designated teaching staff are preparing for the new Reception intake. Look out for communication before the end of term. Obviously, due to COVID19, arrangements will be very different to previous years.
- ◆ Mrs Rowlands and other staff will be doing their utmost best to prepare the Year 6 children for transition to secondary school. This includes virtual meetings with secondary staff so they have all the information. Transition for all other year groups is being explored.
- ◆ Staff are being allocated their new year groups. Once this is finalised, you and your children will be informed
- ◆ The new curriculum needs to be planned for September. With children not being in school for what will be 5 months, we can not simply pick up where we left off. We will be significantly adapting what and how would normally be taught.

### End of year Reports

Despite the children not having been in school since March, we are still required to produce an end of year report. This will look different to previous years as we will not be providing a teacher assessment. Effort and progress up to March 2020 will be shared. You will receive the reports in July. Upon receipt, should you wish to discuss the content with your child's class teacher, a telephone consultation can be arranged.

Class teachers and teaching assistants will be making phone calls over the next couple of weeks to check in and speak to their pupils. The number will be blocked, so please try to answer the calls if you received an unrecognised number. It could be Fairway.

Fairway Fox

For the past week I have been attentively looking out of my office window as staff have spotted a fox in the playground. I haven't seen him/her yet, but we really do have a Fairway Fox! Any idea for names? Let me know.

Fairway Fox would like to say well done to...

Heidi for an excellent description of a scene

**LO: I can describe a scene.**

*Staring down at him with its hundred black, piercing eyes was the most disgusting and peculiar creature he had ever seen!*

Yasmin for following a YouTube video tutorial and producing this!

Joshua for filming and writing about hedgehogs
