Value of the Month

Perseverance

Message from Mrs Williams

I will continue to take the opportunity to thank parents for their support. It seems that we are getting in a rhythm with the new 'normal'. The children have been wonderful and adapted well to the new routines in school. Although it is recognised that younger children may find social distancing a challenge, we will continue to encourage minimal contact within bubbles where possible and educate the children about the type of games that can be played during their break times.

All systems and routines are reviewed regularly so changes may be made to improve further what is in place. Thank you to those parents that have also given feedback to support.

Hot Dinners Change

In light of some feedback, as of next week we are changing the days some classes have their hot dinner.

I'm sure you are aware through friends and family that schools are experiencing positive cases of COVID-19. It is important that if your child takes a test and the outcome is positive, school must know immediately so that actions can be swiftly addressed by the school, Trust and Public Health England. This includes finding a positive test outcome out of school ours (evenings and weekends). If this is the case, please email enquiries@fairway.uwmat.co.uk (please note this is a change of email address). This can also be accessed through the *contact* tab on the school website.

COVID Testing

If your child is showing symptoms, we will call you immediately to collect your child and urge you to book a test immediately. You can take a test at a site or order a home kit. Go to the NHS website for further support. You can also call 119 if you have problems using the internet. Please inform the school of the results, positive or negative.

Sweets for Birthdays

With the current situation, please could we ask that children do not bring in birthday sweets to share with the class. Thank you.

Safeguarding and promoting welfare is everyone's responsibility

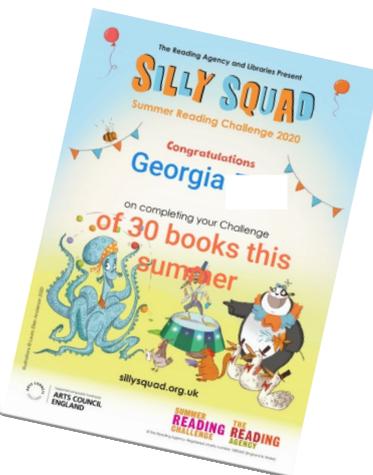

Fairway Fox would like to say well done to...

...Reception....who have been busy this week continuing to explore their new classroom and making new friends. We have been talking all about ourselves, our families and the things we like. We are very proud of how quickly the children have settled and found their feet!

...Year 6 who have enjoyed being back in the school playground! After looking at trees around us, we used soft pastels to create images of trees. This was one of our wellbeing activities to help us reconnect.

...Jessica and Georgia for completing the Summer Reading Challenge.

Both girls have a large appetite for books, which I think has cost mum and dad some money!

Well done girls.
